PROGRAM SPECIFIC AGREEMENT FOR A
STUDENT, FACULTY AND RESEARCHER EXCHANGE

Between

BOARD OF REGENTS OF THE UNIVERSITY SYSTEM OF GEORGIA
BY AND ON
BEHALF OF GEORGIA STATE UNIVERSITY
AND ITS COLLEGE OF LAW, ATLANTA, U.S.A.

And

AARHUS UNIVERSITY AND ITS DEPARTMENT OF LAW
AARHUS, DENMARK

In order to improve the educational experiences and cultural understanding of their students and faculty, the Board of Regents of the University System of Georgia by and on behalf of Georgia State University and its College of Law, Atlanta, Georgia, United States of America ("Georgia State") and Aarhus University through its Department of Law, Aarhus, Denmark ("AU"), agree to institute a student, faculty, and researcher exchange in accordance with the terms and conditions set forth in this agreement ("Agreement"). Georgia State and AU hereby agree as follows:

Georgia State and AU hereby agree to the following:

1. Description of Program

This agreement ("Agreement") is established to facilitate an exchange program at the partner institution with students, faculty and researchers from each institution (collectively, the ("Exchange Program")). The student exchange program enables students from one university to take classes at the other university while working towards a degree at the university where he or she is formally enrolled (individually, the "Student Exchange") and to encourage faculty members and researchers from each university to visit the other university and engage in certain activities (individually, the "Faculty/Researcher Exchange").

For purposes of this Agreement, with respect to the Student Exchange, the term "Home University" shall mean the institution in which a student is formally enrolled as a degree candidate, and "Host University" shall mean the institution that has agreed to receive students from the Home University for a period of study.
With respect to the Faculty/Researcher Exchange, as used herein, "Home University" shall mean the university where the faculty member and/or researcher is normally employed, and "Host University" shall mean the university that the faculty member and/or researcher is visiting.

2. Term and Academic Years

This Agreement becomes effective on the date it is duly signed by representatives of both institutions. The term of the Agreement shall commence on the effective date and shall be in effect for five (5) years, unless earlier terminated by either party pursuant to Section 9 below. Notwithstanding anything to the contrary contained herein, the term of this Agreement shall not extend beyond one academic year if Georgia State assumes any financial obligations by entering into this Agreement and, in no event shall the term of this Agreement extend beyond five (5) academic years. The agreement is renewable for additional academic years or five (5)-year renewal terms, as applicable, upon the advance written agreement of both parties.

The academic year at Georgia State consists of two regular semesters: Fall semester begins in August and ends in mid-December and the Spring semester begins in January and runs into May. In addition, there is a summer semester and an abbreviated Maymester, Summer semester, and Summer Institute. AU Faculty members/researchers and students taking classes at Georgia State will be allowed to participate during any term. The academic year at Aarhus University consists of two regular semesters: Fall semester begins late August and runs through January, and the Spring semester begins late January and runs through June. In addition, there is a summer semester offered through Aarhus Summer University, which consists of two three/four-week terms during which students may take intensive classes. Students from Georgia State taking classes at Aarhus University will be allowed to participate during any term.

3. Number of Students, Faculty Members and Researchers

Starting Spring 2018 and continuing for each year during the term of this Agreement, the two institutions will exchange faculty/researchers and graduate law students (law students from Georgia State or Masters level law students from AU). Students will be exchanged for an equal number of credit hours per academic year. Each academic year, the institutions will allocate 18 credit hours or 60 ECTS for the partner's full-time exchange students. Each institution may accept under this programme the equivalent of up to two full-time students per year (two places per year if each student takes up a one semester exchange). Masters law students from AU may study at Georgia State and enroll full-time in any of the available regular semesters designated in section 2 (Fall, Spring or Summer). Georgia State law students will take AU's master courses at AU either through a traditional semester exchange option or through a hybrid option in the summer involving a faculty-led Georgia State Study Abroad with Peers law course or participation in AU's Summer Semester. Generally 3 credits, the courses will be
considered exchange credit, and the total credits earned by Georgia State students will count towards the overall exchange balance for incoming graduate students from AU.

Both parties will endeavor to maintain an evenly balanced exchange during the term of this Agreement. However, if conditions exist which render such equity impossible during a particular semester, such imbalance shall be corrected in the subsequent available semester to restore balance. In no event shall an imbalance in the exchange be carried forward beyond one semester, nor should students currently enrolled in the program be removed to restore balance. The exchange balance will be monitored annually throughout the term of this Agreement by both institutions. Either party to this Agreement may refuse admission to additional incoming students until the exchange balance is restored.

For faculty/researchers, each institution will host the partner’s full-time faculty/researchers for up to 2 semesters per academic year. These maximum numbers may be amended in writing by both parties.

4. Units Involved in the Student Exchange

Participants in the program will be drawn from the College of Law at Georgia State, and the Department of Law at AU at the discretion of both parties.

Exchange AU students enrolled at Georgia State may take coursework in the College of Law and Georgia State exchange students enrolled at AU may take Masters level law courses in the Department of Law at AU.

5. Student Exchange

A. Student Participation Requirements

Students who wish to participate in the Exchange Program will be screened for eligibility for admission by the Home University, which shall respect the admission requirements and enrollment constraints of the Host University. Students will be required to comply with the standard rules, regulations, and enrollment restrictions of the Host University in the selection of courses, including requirements of language proficiency and health documentation.

Students must be proficient in the language of instruction for courses being taken at the Host University in order to participate. At Georgia State, the language of instruction is English, and at AU the language of instruction is English. To comply with visa requirements, students from AU will submit the Georgia State English Language Proficiency Form. This will be in place of TOEFL scores. Students from Georgia State will not be required to demonstrate language proficiency. These language requirements apply only to the students and not to their spouses and/or dependents. Each Host University shall have final authority over decisions regarding admission of students to its courses.
B. Academic Counseling, Credits and Reports

The school, department or unit involved in this Agreement at each Home University will provide academic counseling to its own students to ensure that the courses taken at the Host University are acceptable with respect to its own degree programs. The Host University will supply the Home University with course descriptions and other pertinent materials/non-confidential information to assist in determining course equivalency. Students from AU will carry a normal load of classes, 9 credits (30 ECTS) appropriate to full-time status at the Home institution.

The exchange students must pursue the approved course of study for the agreed period. Course work undertaken by visiting students should be recognized as contributing to degree requirements at the Home Institution, but this remains at the discretion of the Home Institution. Georgia State students may receive up to 9 (30 ECTS) credits under this Agreement. AU students may receive up to 30 ECTS (9) credits under this Agreement. At the end of each semester or academic term, students will follow appropriate procedures at the Host University to ensure academic records/transcript from the Host University are sent to the Home University.

Furthermore, each Host University reserves the right to require a student to withdraw from the Program if the student’s academic performance or personal misconduct warrants such action.
