STUDENT, FACULTY AND RESEARCHER EXCHANGE**

**Between**

**BOARD OF REGENTS OF THE UNIVERSITY SYSTEM OF GEORGIA  
BY AND ON  
BEHALF OF GEORGIA STATE UNIVERSITY AND ITS COLLEGE OF LAW,  
ATLANTA, U.S.A.**

**And**

**AARHUS UNIVERSITY AND ITS DEPARTMENT OF LAW  
AARHUS, DENMARK**

In furtherance of the existing relationship established in October 2017, between the Board of Regents of the University System of Georgia by and on behalf of Georgia State University and its College of Law, Atlanta, Georgia, United States of America ("Georgia State") and Aarhus University and its Department of Law, Aarhus, Denmark, ("AU") both parties agree to renew a student, faculty, and researcher exchange in accordance with the terms and conditions set forth in this agreement ("Agreement").

At the time this agreement is signed, the COVID-19 pandemic has disrupted travel and academic operations. Therefore, the parties agree that before this agreement is implemented, each party must confirm that the timing and plans are acceptable. The implementation of the agreement may be postponed or cancelled at the request of either party.

Georgia State and AU hereby agree to the following:

**1. Description of Program**

This Agreement renews an exchange program at the partner institution with students, faculty and researchers from each institution (collectively, the "Exchange Program"). The student exchange program enables students from one university to take classes at the other university while working towards a degree at the university where he or she is formally enrolled (individually, the "Student Exchange") and to encourage faculty members and researchers from each university to visit the other university and engage in certain activities (individually, the "Faculty/Researcher Exchange").

For purposes of this Agreement, with respect to the Student Exchange, the term "Home University" shall mean the institution in which a student is formally enrolled as a degree candidate, and "Host

University" shall mean the institution that has agreed to receive students from the Home University for a period of study.

With respect to the Faculty/Researcher Exchange, as used herein, "Home University" shall mean the university where the faculty member and/or researcher is normally employed, and "Host University" shall mean the university that the faculty member and/or researcher is visiting.

## **2. Term and Academic Years**

This Agreement becomes effective on the date it is duly signed by representatives of both institutions. The term of the Agreement shall commence on the effective date and shall be in effect for five (5) years, unless earlier terminated by either party pursuant to Section 9 below. Notwithstanding anything to the contrary contained herein, the term of this Agreement shall not extend beyond one academic year if Georgia State or AU assumes any financial obligations by entering into this Agreement and, in no event shall the term of this Agreement extend beyond five (5) academic years. This agreement may be renewed for additional academic years or five (5) year renewal terms, as applicable, upon the advance written agreement of both parties.

The academic year at Georgia State consists of two regular semesters: The Fall semester begins in August and ends in mid-December and the Spring semester begins in January and runs into May. In addition, there is an abbreviated Summer term and Summer Institute. Faculty members/researchers and students from AU may participate during any term or any semester.

The academic year at AU consists of two regular semesters: Fall semester begins late August and runs through January, and the Spring semester begins late January and runs through June. In addition, there is a Summer semester offered through AU Summer University, which consists of two (2) three/four-week terms during which students may take intensive classes. Students from Georgia State taking classes at Aarhus University will be allowed to participate during any term.

## **3. Number of Students, Faculty Members and Researchers**

Starting in Fall 2022 and continuing for each year during the term of this Agreement, the two institutions will exchange faculty/researchers and graduate law students (law students from Georgia State or Master's level law students from AU). Students will be exchanged for an equal number of credit hours per academic year. Each academic year, the institutions will allocate 18 credit hours or 60 ECTS for the partner's full-time exchange students. Each institution may accept under this program the equivalent of up to two (2) full-time students per year (two (2) places per year if each student takes up a one-semester exchange). Masters law students from AU may study at Georgia State and enroll full time in any of the available regular semesters designated in Section 2 (Fall, Spring or Summer). Georgia State law students will take AU's master courses at AU either through a traditional semester exchange option or through a hybrid option in the summer involving a faculty-led Georgia State Study Abroad with Peers law course or participation in AU's Summer Semester. Generally three (3) credits, the courses will be considered exchange credit, and the total credits earned by Georgia State students will count towards the overall exchange balance for incoming graduate students from AU.

Both parties will endeavor to maintain an evenly balanced exchange during the term of this Agreement. However, if conditions exist which render such equity impossible during a particular semester, such imbalance shall be corrected in the subsequent available semester to restore balance.

In no event shall an imbalance in the exchange be carried forward beyond one semester, nor should students currently enrolled in the program be removed to restore balance. The exchange balance will be monitored annually throughout the term of this Agreement by both institutions. Either party to this Agreement may refuse admission to additional incoming students until the exchange balance is restored.

For faculty/researchers, each institution will host the partner's full-time faculty/researchers for up to two (2) semesters per academic year. These maximum numbers may be amended in writing by both parties.

#### **4. Units Involved Exchange**

Participants in the program will be drawn from the College of Law at Georgia State, and the Department of Law at AU at the discretion of both parties.

Exchange students enrolled at Georgia State may take coursework in the College of Law and exchange students enrolled at AU may take coursework in the Department of Law at AU.

#### **5. Student Exchange**

Students from AU will carry a normal load of classes, nine (9) credits (30 ECTS) appropriate to full-time status at the Home institution.

The exchange students must pursue the approved course of study for the agreed period. Georgia State students may receive up to nine (9) (30 ECTS) credits under this Agreement. AU students may receive up to 30 ECTS (9) credits under this Agreement. At the end of each semester or academic term, students will follow appropriate procedures at the Host University to ensure academic records/transcript from the Host University are sent to the Home University.
