1 - Agreement extension

In accordance with Section 8 of the above-referenced agreement, Georgia State and INU Champollion elect to extend the Agreement term for five years, commencing on November 3, 2020.

2 - Covid 19

At the time this agreement is signed, the COVID-19 pandemic has disrupted travel and academic operations. The implementation of the agreement may be postponed or cancelled at the request of either party.

3 - Restoring previous imbalance

The Section 3 of the agreement is hereby amended to add the following:

"To restore the previous imbalance under which Jean-François Champollion students took 65 more credits at Georgia State than Georgia State students took at Jean-François Champollion, the two institutions will exchange students on a three-for-one basis for the first academic year, then exchange students on a two-for-one basis. Georgia State will send three full-time semester students to Jean-François Champollion for every one full-time semester student it receives (or equivalent ratio) for the first academic year. Georgia State will then send two full-time semester students to Jean-François Champollion of every one full-time semester student it receives (or equivalent ratio) until balance is restored. Once balance is restored, the exchange will revert to a one-to-one ratio."
