Letter of Intent to Collaborate
between
Board of Regents of the University System of Georgia
by and on behalf of Georgia State University and its [department/unit name if applicable]
("Georgia State")
Atlanta, Georgia, United States of America
and
American Collegiate Institute High School

In consideration of a visit by Georgia State University to American Collegiate Institute High School on May 30, 2013. This Letter of Intent signifies friendship and intent to collaborate with American Collegiate Institute High School for the academic future of its students. Georgia State University and American Collegiate Institute High School have discussed future considerations and opportunities for its student to participate in activities and programs such as youth leadership programs, bridge programs, undergraduate academic programs, language development opportunities, and cultural exchange.

Specific details for implementing the above activities will be developed mutually and reflected in follow-on agreements to be negotiated and signed by authorized individuals from each institution.

This letter shall not constitute a binding agreement and is expressly contingent upon execution of an MOU and/or a program-specific agreement by and between American Collegiate Institute High School and Georgia State.
