

LETTER OF INTENT TO COLLABORATE
between
BOARD OF REGENTS OF THE UNIVERSITY SYSTEM OF GEORGIA
by and on behalf of
GEORGIA STATE UNIVERSITY AND ITS COLLEGE OF EDUCATION AND HUMAN DEVELOPMENT
and
CHAOYANG UNIVERSITY OF TECHNOLOGY

Georgia State University and its College of Education and Human Development ("Georgia State"), Atlanta, United States of America and Chaoyang University of Technology ("CYUT"), Taiwan, R.O.C., wishing to strengthen bilateral relation in academics, research and cultural exchange with a view to strengthening the relationship and cooperation between the two organizations, have agreed to sign this Letter of Intent ("LOI"). The areas of cooperation shall include any program initiated by either institution, which is desirable and feasible for the development and strengthening of cooperative relationships between the two institutions. However, all programs shall be subject to mutual consent and availability of funding. Based upon discussions held in Spring 2016 between Dr. Catharina Chang, Dr. Peggy Gallagher, and Dr. Liza Lee, the two universities have identified the following areas of common educational interests:

- Consultation of curricula and training programs;
- Exchange of scholars and students (pursuant to the Travel Warning policies at either or both universities);
- Joint research programs;
- Conferences and seminars; and
- Jointly operating training programs.

This letter shall not constitute a binding agreement and details of each specific cooperative program [Memorandum of Cooperation (MOC) and/or a Program Specific Agreement (PSA)] shall be further discussed and mutually agreed upon in writing.

This LOI shall be effective upon exchange of signature by both institutions and remain valid for two years. The LOI is made in English in two (2) copies, one of which is kept by each institution.

On behalf of Board of Regents of the University System of Georgia by and on behalf of Georgia State University and its College of Education and Human Development

On behalf of Chaoyang University of Technology
