In furtherance of mutual goals to foster internationalization of education, officials from the above-named institutions hereby express their intent to collaborate.

Based upon discussions beginning in 2015 and visits by Dr. Julian Juergensmeyer, Ms. Ahu Kostak-Bulat and Acting Associate Provost Dr. Volkan Topalli of Georgia State University to Dean Veli Özer Özbek, Faculty of Law, and Assistant Dean Koray Doğan at Dokuz Eylül University, the two universities have identified their interest in establishing a joint annual conference and workshops in Criminology and Law. They also expressed interest in the following potential areas of common educational interests: exchange and visits by undergraduate and graduate students, non-teaching and post-graduate fellows, and junior and senior faculty members, exchange of information and graduate students in education of interest, academic programs, and joint research activities and publications.

Specific details for implementing the above collaborations will be developed mutually and reflected in follow-on agreements to be negotiated and signed by authorized individuals from each institution. *Please note:* Georgia State's Policy on Travel to Countries with Travel Warnings governs travel by Georgia State students, faculty and staff to countries for which the U.S. Department of State has issued a Travel Warning. The University does not sponsor travel for undergraduate students to a country for which a Travel Warning has been issued. Travel by faculty, staff and graduate students must be approved by specified Georgia State administrators.

This letter shall not constitute a binding agreement and is expressly contingent upon execution of a Memorandum of Cooperation (MOC) and/or a Program-Specific Agreement (PSA) by and between the Board of Regents of the University System of Georgia by and on behalf of Georgia State University and Dokuz Eylül University.
