Renewal of the Student Exchange Agreement

Between
Board of Regents of the University System of Georgia
By and On Behalf of
Georgia State University and its J. Mack Robinson College of Business, Atlanta, U.S.A.
and
Jönköping International Business School
Jönköping University
Jönköping, Sweden

In order to continue the valued partnership and goal for improving the educational experiences and cultural understanding of their students and faculty, the Board of Regents of the University System of Georgia by and on behalf of Georgia State University (hereafter “Georgia State” or “GSU”) and its J. Mack Robinson College of Business (hereafter “RCB”), Atlanta, Georgia, United States of America and Jönköping University (hereafter “JU”) through its Jönköping International Business School, (hereafter “JIBS”), Jönköping, Sweden, agree to continue a student exchange in accordance with the terms and conditions set forth in this agreement (“Agreement”).

Georgia State and JU hereby agree to the following:

1. Description of Program

This agreement (“Agreement”) will continue to facilitate a student exchange program (“Exchange Program”) at the partner institution. The program will enable students working towards a degree at one institution to take classes at the other institution.

Student Program Type: Non-Degree Program

For purposes of this Agreement, the term “Home Institution” shall mean the institution in which a student is formally enrolled as a degree candidate, and “Host Institution” shall mean the institution that has agreed to receive students from the Home Institution for a period of study.

2. Term and Academic Years

This Agreement becomes effective on the date it is duly signed by representatives of both institutions. The term of the Agreement shall commence on the effective date and shall be in effect for five (5) years,
contained herein, the term of this Agreement shall not extend beyond one academic year if Georgia State assumes any financial obligations by entering into this Agreement and, in no event shall the term of this Agreement extend beyond five academic years. This Agreement may be renewed for additional five year renewal terms, upon the advance written agreement of both parties.

The academic year at Georgia State consists of two regular semesters: the first begins in August and runs through December, and the second begins in January and runs through May. In addition, there is a summer semester and an abbreviated Maymester. Students from JIBS taking classes at Georgia State will be allowed to participate only during the fall and spring semesters.

The academic year at JIBS consists of two regular semesters: the first begins in August and runs through December, and the second begins in January and runs through May. Students from Georgia State taking classes at JIBS will be allowed to participate only during the fall and spring semesters.

Under this Agreement, the enrollment of students at the Host Institution is limited to one or two semesters; the designation must be made at the time of application.

3. Number of Students

Under this Agreement renewal, starting spring 2014 the two institutions will continue to exchange graduate students, however, in order to correct the imbalance of students from the past three-year Agreement, Georgia State will send two (2) RCB students to JU for every one (1) JU student that is received at Georgia State. This arrangement will remain in effect until the Agreement is balanced, at which point the exchange will proceed on a one-for-one basis as indicated below.

Points 3a, b and c below, do not apply until balance of the past three-year Agreement has been achieved:

   a. A maximum of three (3) students per year on a semester basis will be sent to Georgia State and an equal number to JU;

   b. Georgia State will exchange with JU a group of students on a one-for-one basis when possible during the term and any renewal terms. The exchange will be measured according to the following formula: one full-time semester student at Georgia State equals one full-time semester student at JU; and

   c. Georgia State and JU will endeavor to maintain an evenly balanced exchange during the term of this Agreement. However, if conditions exist that render such equity impossible to maintain during a particular semester, such imbalance shall be corrected in the subsequent available semester to restore balance. In no event shall an imbalance in the exchange be carried forward beyond one semester. The exchange balance will be monitored throughout the term of this Agreement by both institutions. Either party to this Agreement may refuse admission to additional incoming students until the exchange balance is restored.

4. Units Involved in the Student Exchange

Participants in the program will be drawn from RCB at Georgia State, and JIBS at JU at the discretion of Georgia State and JU.
5. Requirements for Participation

Students who wish to participate in the Student Exchange will be screened for eligibility for admission by the Home Institution, which shall respect the admission requirements and enrollment constraints of the Host Institution. Each Host Institution shall have final authority over decisions regarding admission of students to its courses.

a. JIBS will send to RCB a letter certifying the JIBS candidates' good academic standing;
b. Upon receipt of recommendation, RCB will direct JIBS candidates through the application process. JIBS students will complete appropriate RCB applications to be accepted as transient (visiting) students;
c. Students must submit appropriate financial documentation to allow Georgia State to certify them as eligible for J-1 visa status. All application documents must be received at RCB by deadlines designated by RCB;
d. RCB will recommend students to JIBS. Students must be in good academic standing in their program with a minimum GPA of 3.0. RCB students must satisfy any additional prerequisites of JIBS courses prior to being accepted in the Exchange Program;
e. Upon receipt of recommendation, JIBS will direct RCB candidates through the application process. All application documents must be received at JIBS by May 15 for fall term and November 1 for spring term;
f. Students will be required to comply with regulations of the Host Institution regarding health documentation. JIBS students must submit immunization documentation, including but not limited to Measles, Mumps and Rubella or MMR, Tetanus, Diphtheria, Varicella, Hepatitis B for enrollment. Georgia State students are not required to submit health documentation; and
g. Students will be required to comply with the standard rules, regulations, and enrollment restrictions of the Host Institution in the selection of courses, including requirements of language proficiency. At Georgia State, the language of instruction is English, and at JIBS the language of instruction is English. Students from JIBS will be required to submit English language proficiency test scores appropriate for graduate admission. At the discretion of the Georgia State Program Director, students from JIBS may submit the Georgia State English Language Proficiency Form in place of TOEFL scores. If the language of instruction of the courses being taken is not English, students from Georgia State will be required to demonstrate proficiency in the language of instruction via placement testing as determined by JIBS. These language requirements apply only to the students and not to their spouses and dependents.

6. Academic Counseling, Credits and Reports

The school, department or unit involved in this Agreement at each Home Institution will provide academic counseling to its own students to ensure that the courses taken at the Host Institution are acceptable with respect to its own degree programs. The Host Institution will supply the Home Institution with course descriptions and other pertinent materials/non-privileged information to assist in determining course equivalency.

a. The exchange students must pursue the approved course of study for the agreed period. Course work undertaken by visiting students should be recognized as contributing to degree requirements at the Home Institution, but this remains at the discretion of the Home Institution;
b. Students will register for and carry a normal load of classes appropriate to their visa status and equivalent to full-time status each semester;
c. Georgia State students will receive institutional credits under this Agreement;
d. This Agreement does not permit students to engage in internships; and
e. At the end of each semester or academic term, students will follow appropriate procedures at the Host Institution to ensure academic records/transcript from the Host Institution are sent to the Home Institution.

7. **Student Responsibilities and Expenses**

Unless otherwise indicated in an appendix hereto, students in this Exchange Program will be responsible for the following:

a. Payment of admission application fees; WAIVED;
b. Payment of all student fees and tuition to the Home Institution; RCB students must pay 280 SEK (i.e. $42.00 USD approx.) per semester toward the Student Union fees at JIBS;
c. Obtaining the proper visas and other documents required by the government of the Host Institution, including any guaranty that they have the financial resources to meet all expenses;
d. Costs of food, housing, international and local transportation/travel, books, fees for class materials, and other educational and personal expenses;

e. Purchasing the required health/hospitalization/liability insurance, including repatriation and medical evacuation, for the time period of their involvement in the Exchange Program in order to meet governmental regulations, as well as the regulations of the Host and Home Institutions, as set forth in Section 9 below;

g. Submitting any health or immunization records required by Host Institutions as set forth in Section 5f above; and

h. Providing the appropriate exchange coordinator/director at the Host Institution emergency contact information.

8. **Visa Requirements**

Each Host Institution will provide the necessary documentation (e.g., official letters of admission, immigration documents) for exchange students to obtain a visa to enter and study in the host country. This documentation enables the Institutions to sponsor the students as part of this Agreement but does not commit the Institutions to any financial support. In order to produce this documentation, they will rely on the Home Institution communicating student information four to five months before the start of the Exchange Program. The Host Institution will update the Home Institution annually regarding the data and documentation required. It is each student’s responsibility to obtain the appropriate visa, as required by the host country. Exchange students coming to Georgia State are required to obtain a J1 visa, and therefore must provide documentation of sufficient financial resources needed to study in the U.S. Forms and detailed information about this process will be provided by Georgia State’s International Student and Scholar Services (ISSS).

9. **Insurance Requirements**

Personal health, hospitalization and accident insurance, including a repatriation and medical evacuation plan, as well as liability coverage, is required for all students participating in this Exchange Program. Students who already have insurance must submit proof of such coverage to the Host Institution for approval before departing from their home countries. The Host Institution will assist students in identifying available insurance options designed for international students, if necessary.
Students from JIBS who do not have appropriate insurance must obtain Georgia State’s international students’ insurance policy. Students from Georgia State must obtain Georgia State’s study abroad insurance coverage.

10. **Housing**

The Host Institution may offer advice to exchange students regarding accommodations, but it is the responsibility of the students to make living arrangements in the host country. JIBS guarantees accommodation to all international students who apply by the designated deadlines.

11. **Employment**

This Agreement allows employment of JIBS students at Georgia State, so long as the work is directly related to their major field of study and work authorization has been approved by ISSS prior to engaging in employment.

Georgia State students are allowed to have employment so long as it does not violate visa requirements.

Georgia State and JIBS are not responsible for providing employment.

12. **Compliance with Rules and Regulations**

Exchange students will be subject to the rules and regulations of the Host Institution, and the laws and procedures of the state or canton in which the institution is located. The Host Institution will assume no responsibility for a student’s conduct or lack of compliance with any of the host country’s laws. Each institution reserves the right to dismiss any exchange student at any time for academic or personal misconduct in violation of established regulations provided, however, that the Host Institution will, absent extenuating circumstances, attempt to consult with the Home Institution before implementing such action. The dismissal of a student shall not abrogate this Agreement, or the arrangements regarding other students. No replacements will be sent to the Host Institution for students who do not complete the semester.

13. **Research**

To the extent allowable by law, the parties may engage in joint research, conference participation, publication of research results and other research-related activity. The parties understand and agree that national laws regulating the export of technologies may prohibit participation by exchange students on specific research projects in the host country. The parties further understand and agree to secure all Institutional and other required approvals prior to conducting research activities and to abide by all policies and procedures governing such activities.

If exchange students participate in research funded by a third party sponsor, the parties agree that such research activities will abide by the terms of the sponsorship agreement. If exchange students receive third party confidential information for research purposes that was provided under a written nondisclosure or confidential disclosure agreement, the parties agree that the exchange students will be bound by the confidentiality and nondisclosure terms of such agreement. Exchange students pledge to disclose any intellectual property developed as a result of joint research to both the Host and Home Institution unless such disclosure is unlawful under the law of the Host Institution’s country.
14. **Modification, Termination, Renewal of Agreement**

The status of the Agreement will be evaluated annually, and will be formally reviewed and evaluated before each renewal.

This Agreement may be modified, revised, or renewed but only upon the mutual consent of the parties in writing. Either party may terminate this Agreement by written notice submitted at least 90 days in advance of the next academic semester. Termination will not affect existing or approved students in the Exchange Program. Unless renewed by mutual written consent, this Agreement will conclude at the end of the specified academic term or year as defined in Section 2 above.

15. **Primary Contacts / Program Directors**

The Primary Contacts/ Program Directors will ensure that the terms of this Agreement are carried out.
