And

Korea University and its Korea University Business School
Seoul, South Korea

In order to continue the valued partnership and goal of improving the educational experiences and cultural understanding of their students and faculty, the Board of Regents of the University System of Georgia by and on behalf of Georgia State University and its J. Mack Robinson College of Business, Atlanta, Georgia, United States of America ( "Georgia State" or "GSU") and Korea University through its Korea University Business School, Seoul, South Korea ("KUBS") agree to renew the student exchange in accordance with the terms and conditions set forth in this agreement ("Agreement").

Georgia State and KUBS hereby agree to the following:

1. Description of Program

This agreement ("Agreement") is renewed to continue to facilitate a student exchange program at the partner institution ("Exchange Program"). The program will enable students working towards a degree at one institution to take classes at the other institution.

Student Program Type: Non-Degree Program

For purposes of this Agreement, the term "Home Institution" shall mean the institution in which a student is formally enrolled as a degree candidate, and "Host Institution" shall mean the institution that has agreed to receive students from the Home Institution for a period of study.

2. Term and Academic Years

This agreement becomes effective on the date it is duly signed by representatives of both institutions. The term of the Agreement shall commence on the effective date and shall be in effect for five (5) years, unless earlier terminated by either party pursuant to Section 14 below. Notwithstanding anything to the contrary contained herein, the term of this Agreement shall not extend beyond one academic year if Georgia State assumes any financial obligations by entering into this Agreement and, in no event shall the term of this
Agreement extend beyond five academic years. This Agreement may be renewed for additional academic five year renewal terms upon the advance written agreement of both parties.

The academic year at Georgia State consists of two regular semesters: the first begins in August and runs through December, and the second begins in January and runs through May. In addition, there is a summer semester and an abbreviated Maymester. Students from KUBS taking classes at Georgia State will be allowed to participate only during the fall or spring semesters.

The academic year at KUBS consists of two regular semesters: the first begins in September and runs to December, and the second begins in March and runs to June. In addition, there is a summer semester for BBA students, which runs from July to early August and eight week modules for MBA students scheduled throughout the year. Students taking classes at KUBS will be allowed to participate without restrictions concerning the academic term.

Under this Agreement, the enrollment of students at the Host Institution is limited to one or two semesters; the designation must be made at the time of application.

3. Number of Students

Starting spring 2014 the two institutions will exchange undergraduate and graduate students. The Programs will strive to balance the ratio of students and as appropriate, credit hours between the two Institutions during any given semester.

a. A maximum of four (4) students per year, at either the undergraduate or graduate level, will be sent to Georgia State and an equal number to KUBS. Undergraduate students will be exchanged for undergraduate students and graduate students for graduate students;

b. Georgia State will exchange with KUBS a group of students on a one-for-one basis when possible during the term and any renewal terms. The exchange will be measured according to the following formula: one full-time semester student at Georgia State equals one full-time semester student at KUBS; and

c. Georgia State and KUBS will endeavor to maintain an evenly balanced exchange during the term of this Agreement. However, if conditions exist that render such equity impossible to maintain during a particular semester, such imbalance shall be corrected in the immediate subsequent semester to restore balance. In no event shall an imbalance in the exchange be carried forward beyond one semester. The exchange balance will be monitored throughout the term of this Agreement by both institutions. Either party to this Agreement may refuse admission to additional incoming students until the exchange balance is restored.

Each institution reserves the right to dismiss any exchange student at any time for academic or personal misconduct in violation of established regulations provided, however that the Host Institution will, absent extenuating circumstances, attempt to consult with the Home Institution before implementing such action. The dismissal of a student shall not abrogate this Agreement, or the arrangements regarding other students. No replacements will be sent for students who do not complete a semester at either institution.

13. **Research**

To the extent allowable by law, the parties may engage in joint research, conference participation, publication of research results and other research-related activity.
