RENEWAL OF A PROGRAM SPECIFIC AGREEMENT FOR A STUDENT EXCHANGE

Between

BOARD OF REGENTS OF THE UNIVERSITY SYSTEM OF GEORGIA
BY AND ON BEHALF OF GEORGIA STATE UNIVERSITY
AND ITS COLLEGE OF ARTS & SCIENCES, ATLANTA, U.S.A.

And

UNIVERSITY OF NORTHBURIA AT NEWCASTLE, ENGLAND

In order to continue to improve the educational experiences and cultural understanding of their students and faculty, the Board of Regents of the University System of Georgia by and on behalf of Georgia State University and its College of Arts & Sciences, Atlanta, Georgia, United States of America ("Georgia State") and the University of Northumbria at Newcastle, England ("UNN") agree to renew a student exchange in accordance with the terms and conditions set forth in this agreement ("Agreement"). Georgia State and UNN hereby agree as follows:

1. **Description of Program**

   This agreement ("Agreement") is established to facilitate a student exchange program at the partner institution ("Exchange Program"). The program enables students working towards a degree at one institution to take classes at the other institution. This is a non-degree program.

   For purposes of this Agreement, the term “Home University” shall mean the institution in which a student is formally enrolled as a degree candidate, and “Host University” shall mean the institution that has agreed to receive students from the Home University for a period of study.

2. **Term and Academic Years**

   This agreement becomes effective on the date it is duly signed by representatives of both institutions. The term of the Agreement shall commence on the effective date and shall be in effect for five (5) years, unless earlier terminated by either party pursuant to section 14 below. The agreement is renewable for additional five-year terms upon the advance written agreement of both parties. The academic year at Georgia State consists of two regular semesters: the Fall semester begins in August and runs through December, and the Spring semester begins in January and runs through May. In addition, there is a summer semester and an abbreviated Maymester. Students from UNN taking classes at Georgia State will participate for one academic year (specifically, the Fall and Spring terms of the same academic year). The academic year at UNN consists of two regular semesters: semester one begins in September and end in January. Semester two starts in January and ends in May. Students from Georgia State taking classes at UNN will participate for one academic year (specifically, two semesters of the same academic year).
3. Number of Students

Starting in Fall 2014 and continuing for each year during the term of this Agreement, the two institutions will exchange undergraduate and graduate students on a one-for-one basis. Each institution will host the partner’s full-time exchange students for up to twenty semesters per academic year. Because students in this program participate for the full academic year, this normally means ten students per year. [Note: In general, the exchange is for undergraduate students. However, the program directors are open to graduate student participation. The details of graduate student participation will be worked out on a case-by-case basis. The institutions should exchange undergraduate students for undergraduate students, and graduate students for graduate students. These maximum numbers may be amended in writing by both parties.]

Both parties will endeavor to maintain an evenly balanced exchange during the term of this Agreement. However, if conditions exist which render such equity impossible during a particular semester, such imbalance shall be corrected in the subsequent available semester to restore balance. In no event shall an imbalance in the exchange be carried forward beyond one semester, nor should students currently enrolled in the program be removed to restore balance. The exchange balance will be monitored throughout the term of this Agreement by both institutions. Either party to this Agreement may refuse admission to the additional incoming students until the exchange balance is restored.

4. Units Involved in the Student Exchange

Participants in the program will be drawn from the College of Arts & Sciences at Georgia State, and the School of Arts & Social Sciences, English, and Creative Writing at UNN at the discretion of both parties. Exchange students enrolled at Georgia State may take coursework in the College of Arts & Sciences, and exchange students enrolled at UNN may take coursework in the School of Arts & Social Sciences, English, and Creative Writing.

5. Requirements for Participation

Students who wish to participate in the Exchange Program will be screened for eligibility for admission by the Home University, which shall respect the admission requirements and enrollment constraints of the Host University. Students will be required to comply with the standard rules, regulations, and enrollment restrictions of the Host University in the selection of courses, including requirements of language proficiency and health documentation.

Students must be proficient in the language of instruction for courses being taken at the Host University in order to participate. At both Georgia State and UNN, the language of instruction is English. No students participating in the exchange will be required to submit proof of English language proficiency. Each Host University shall have final authority over decisions regarding admission of students to its courses.

6. Academic Counseling, Credits and Reports

The school, department or unit involved in this Agreement at each Home University will provide academic counseling to its own students to ensure that the courses taken at the Host University are acceptable with respect to its own degree programs. The Host University will supply the Home University with course descriptions and other pertinent materials to assist in determining course equivalency. Students will carry a normal load of classes appropriate to full-time status at the home institution.

The exchange students must pursue the approved course of study for the agreed period. Course work undertaken by visiting students should be recognized as contributing to degree requirements at the Home University, but this remains at the discretion of the Home University. Georgia State students will receive
institutional credits under this Agreement. At the end of each semester or academic term, students will follow appropriate procedures at the Host University to ensure academic records/transcript from the Host University are sent to the Home University.

7. **Student Responsibilities and Expenses**

Unless otherwise indicated in an appendix hereto, students in this Exchange Program will be responsible for the following:

1. Payment of all student fees and tuition to the Home University;
2. With the assistance of the Host University, obtaining the proper visas and other documents required by the government of the Host University, including any guaranty that they have the financial resources to meet all expenses;
3. The costs of food, housing, international and local transportation, books, fees for class materials, and other educational and personal expenses;
4. Purchasing the required health/hospitalization/liability insurance, including repatriation, for the time period of their involvement in the Exchange Program in order to meet governmental regulations, as well as the regulations of the Host and Home Universities, as set forth in section 9 below;
5. Abiding by the same regulations and performance standards that pertain to other students at the Host University;
6. Providing the appropriate exchange coordinator/director at the Host University emergency contact information; and
7. Submitting any health or immunization records required by Host University.

8. **Visa Requirements**

Each Host University will provide the necessary documentation (e.g., official letters of admission, immigration documents) for exchange students to obtain a visa to enter and study in the host country. This documentation enables the Home University to sponsor the students as part of this Agreement but does not commit the institution to any financial sponsorship. In order to produce this documentation, they will rely on the Home University communicating student information four to five months before the start of the Exchange Program. The Host University will update the Home University annually regarding the data and documentation required. It is each student’s responsibility to obtain the appropriate visa, as required by the host country. Exchange students coming to GSU are required to obtain a J1 visa, and therefore must provide documentation of sufficient financial resources needed to study in the U.S. Forms and detailed information about this process will be provided by GSU’s International Student & Scholar Services.

9. **Insurance Requirements**

Personal health, hospitalization and accident insurance, including a repatriation & medical evacuation plan, as well as liability coverage, is required for all students participating in this Exchange Program. Students who already have insurance must submit proof of such coverage to the Host University for approval before departing from their home countries. The Host University will assist students in identifying available insurance options designed for international students, if necessary. Students from UNN who do not have appropriate insurance must obtain Georgia State’s international students’ insurance policy. Students from Georgia State must obtain Georgia State’s study abroad insurance coverage.
10. **Housing**

The Host University may offer advice to exchange students regarding accommodations, but it is the responsibility of the students themselves to making living arrangements in the host country.

11. **Employment**

This agreement allows employment of UNN students and Georgia State students in the host country. Students will follow appropriate steps to obtain authorization of employment and will follow regulations of their student visas and host university.

12. **Compliance with Rules and Regulations**

Exchange students will be subject to the rules and regulations of the Host University, and the laws and procedures of the state or canton in which the institution is located. The Host University will assume no responsibility for a student’s conduct or lack of compliance with any of the host country’s laws. Each institution reserves the right to dismiss any exchange student at any time for academic or personal misconduct in violation of established regulations provided, however that the Host University will, absent extenuating circumstances, attempt to consult with the Home University before implementing such action. The dismissal of a student shall not abrogate this Agreement, or arrangements regarding other students.

13. **Research**

At the current time there are no plans for a research component to this agreement; however, if that changes, UNN and Georgia State will revisit the issue and amend the agreement as necessary.

14. **Modification, Termination, Renewal of Agreement**

This Agreement may be modified, revised, or renewed but only upon the mutual consent of the parties in writing. Either party may terminate this Agreement by written notice submitted at least 90 days in advance of the next academic semester. Termination will not affect existing or approved students in the Exchange Program. Unless renewed by mutual written consent, this Agreement will conclude at the end of the specified academic term or year as defined in section 2 above.

15. **Primary Contacts / Program Directors**

The Primary Contacts/ Program Directors will ensure that the terms of this Agreement are carried out. They will serve as the contact persons at each institution, ensure the general welfare of program participants, ensure that necessary approvals are in place, and have administrative oversight of the program.
