by and on behalf of

**GEORGIA STATE UNIVERSITY AND ITS COLLEGE OF ARTS AND SCIENCES ("GEORGIA STATE")
ATLANTA, U.S.A.**

And

**THE NTAMBWE GLOBAL CHARITY FOUNDATION ("TNGCF")
ATLANTA, GEORGIA**

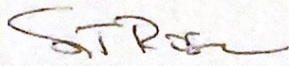

In furtherance of mutual goals to foster internationalization of education, officials from the above-named institutions hereby express their intent to collaborate.

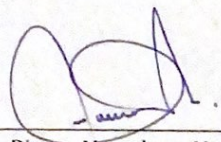

The Ntambwe Global Charity Foundation (TNGCF) is a 501(c)(3) non-profit organization registered in the United States to promote American higher education in the historically French educational systems in the Democratic Republic of the Congo (Congo Kinshasa) and Republic of the Congo (Congo Brazzaville). The Foundation seeks to establish American Culture Centers in both countries by leveraging American interests to facilitate higher education and training of students and faculty. Initial activities have involved recruiting students for language training and subsequent enrollment at American institutions. The Foundation is working with the Intensive English Program (IEP) at Georgia State University to achieve this goal. Based upon discussions held beginning in May of 2021 and visits by Mr. Jean-Pierre Ntambwe Ngashi on August, 19 and 24, 2021, the two entities have identified the following areas of common educational interests: exchange and visits by undergraduate and graduate students, and non-teaching and post-graduate fellows and junior and senior faculty members; exchange of information and graduate students in education of interest; joint conferences and academic programs; and participation in Georgia State's Intensive English Program as a preliminary step before enrolling in their undergraduate/graduate degree programs at Georgia State. Georgia State's Travel Advisory Policy governs international travel by Georgia State students, faculty and staff. Travel must be approved by specified Georgia State administrators.

Specific details for implementing the above collaborations will be developed mutually and reflected in follow-on agreements to be negotiated and signed by authorized individuals from each institution. This letter shall not constitute a binding agreement and is expressly contingent upon execution of a Memorandum of Cooperation (MOC) and/or a Program Specific Agreement (PSA) by and between the Board of Regents of the University System of Georgia by and on behalf of Georgia State University and TNGCF.
