RE: Program Specific Agreement for a Student Exchange entered into between the Board of Regents of the University System of Georgia by and on behalf of Georgia State University and its College of Arts & Sciences ("Georgia State") and Shanghai University and its Schools of Foreign Languages and International Exchanges ("SHU") dated June 11, 2013.

Dear Professors Yao and Zhou,

In accordance with the terms of the above-referenced Agreement, Georgia State and SHU agree to amend the above-referenced Agreement as follows:

Section 2 is hereby amended by adding the following text to the end of the third paragraph:

Additionally, Georgia State students will have the opportunity to take courses during a special summer term that runs June to July.

Section 3 is hereby amended by adding the following paragraph between the first and second paragraphs:

Starting in Summer 2014, Georgia State students may attend SHU for a special summer term in June and July. During a regular term, Georgia State students would normally take the equivalent of 12 credit hours while at SHU. In the special summer term, they will only take the equivalent of 6 credit hours at SHU. Therefore, two Georgia State students at SHU for the special summer term would be the equivalent of one SHU student at Georgia State for one Fall or Spring term. Georgia State may send students to the special summer term in order to ensure the exchange balance throughout the term of the agreement.

All other terms of the Agreement shall remain in full force and effect.
If the terms of this letter are acceptable, please indicate your acceptance by signing in the space provided below.
