**Between**

**BOARD OF REGENTS OF THE UNIVERSITY SYSTEM OF GEORGIA  
BY AND ON**

**BEHALF OF GEORGIA STATE UNIVERSITY AND ITS AND ITS J. MACK ROBINSON  
COLLEGE OF BUSINESS, ATLANTA, U.S.A.**

**And**

**TOULOUSE BUSINESS SCHOOL,  
TOULOUSE, FRANCE**

In furtherance to the long-standing collaboration established in 1997 and in order to continue to improve the educational experiences and cultural understanding of their students and faculty, the Board of Regents of the University System of Georgia by and on behalf of Georgia State University and its J. Mack Robinson College of Business, Atlanta, Georgia, United States of America ("Georgia State") and Toulouse Business School, Toulouse, France ("TBS") agree to renew a dual-degree program in accordance with the terms and conditions set forth in this agreement ("Agreement").

Georgia State and TBS hereby agree to the following:

### **1. Description of Program**

This Agreement renews a dual-degree program, wherein TBS offers the Master in Management (MiM) degree and Georgia State offers the Master of Business Administration (MBA) degree. Students enrolled in the Master in Management program at TBS have the option of participating in the dual-degree program, after completing the first year of studies at TBS. Students will attend Georgia State for two semesters, Fall and Spring term. Students must successfully complete the curriculum requirements for the Master of Business Administration at Georgia State to be awarded the degree. Fifty percent of course credits applied to the MBA degree must be taken at Georgia State, and remaining course credits may be transferred from TBS. A description of the MBA curriculum is available in the Appendix of this Agreement.

For purposes of this Agreement, the term "Home University" shall mean the institution in which a student is formally enrolled as a degree candidate, and "Host University" shall mean the institution that has agreed to receive students from the Home University for a period of study.

## **2. Term and Academic Years**

This Agreement becomes effective on the date it is duly signed by representatives of both institutions. The term of the Agreement shall commence on the effective date and shall be in effect for five (5) years, unless earlier terminated by either party pursuant to Section 15 below. Notwithstanding anything to the contrary contained herein, the term of this Agreement shall not extend beyond one academic year if Georgia State or TBS assume any financial obligations by entering into this Agreement and, in no event shall the term of this Agreement extend beyond five (5) academic years. This Agreement may be renewed for additional academic years or five (5) year renewal terms, as applicable, upon the advance written agreement of both parties.

The academic year at Georgia State consists of two regular semesters: the Fall semester begins in August and ends in mid-December and the Spring semester begins in January and runs into May. Students from TBS may participate during Fall and Spring semesters. Under this Agreement, the enrollment of students at Georgia State is limited to two (2) semesters.

## **3. Number of Students**

Under this agreement renewal, the two institutions will exchange students on a one-for-one basis, according to credit hours. This Agreement provides terms for mobility from TBS to Georgia State. The terms for mobility from Georgia State to TBS is defined in a currently executed agreement – “Renewal of the Student Exchange Agreement”. Each academic year, the institutions will allocate semester spaces for the partner’s full-time students in this program. If an institution sends a student for the academic year, this counts for two semesters of that year’s total.

Both parties will endeavor to maintain an evenly balanced exchange during the term of this Agreement. However, if conditions exist which render such equity impossible during a particular semester, such imbalance shall be corrected in the subsequent available semester to restore balance. In no event shall an imbalance in the exchange be carried forward beyond one semester, nor should students currently enrolled in the program be removed to restore balance. The exchange balance will be monitored annually throughout the term of this Agreement by both institutions. Either party to this Agreement may refuse admission to the additional incoming students until the exchange balance is restored.

## **4. Units Involved in Program**

Participants in the program will be drawn from the Master in Management at TBS at the discretion of both parties.

## **5. Requirements for Participation**

Students who wish to participate in the dual-degree program will be screened for eligibility for admission by the Home University, which shall respect the admission requirements and enrollment constraints of the Host University. Students will be required to comply with the standard rules, regulations, and enrollment restrictions of the Host University in the selection of courses, including requirements of language proficiency and health documentation.

Students must be proficient in the language of instruction for courses being taken at the Host University in order to participate. At Georgia State, the language of instruction is English, and at TBS the language of instruction is French and English. Students from TBS will be required to submit English language proficiency test scores appropriate for admission: The minimum TOEFL score is 90 or higher or IELTS scores of 6.5 or higher . These language requirements apply only to the students and not to their spouses and/or dependents.

To be eligible, students must achieve a minimum total score of 600 on the GMAT. Each Host University shall have final authority over decisions regarding admission of students.

## **6. Academic Counseling, Credits and Reports**

The school, department or unit involved in this Agreement at each Home University will provide academic counseling to its own students to ensure that the courses taken at the Host University are acceptable with respect to its own degree programs. The Host University will supply the Home University with course descriptions and other pertinent materials/non-confidential information to assist in determining course equivalency. Students will carry a normal load of classes appropriate to full-time status at the host institution(s).

Students must pursue the approved course of study for the agreed period. Course work undertaken by visiting students should be recognized as contributing to degree requirements at the Home University, but this remains at the discretion of the Home University. Georgia State students will receive transfer credits under this Agreement. At the end of each semester or academic term, students will follow appropriate procedures at the Host University to ensure academic records/transcript from the Host University are sent to the Home University.

## **7. Student Responsibilities and Expenses**

1. Submission of all documents required for acceptance to Georgia State; Application fee is waived;
2. Payment of all mandatory student fees and tuition to the Home University by published deadlines
3. With the assistance of the Host University, obtaining the proper visas and other documents required by the government of the Host University, including any guarantee that they have the financial resources to meet all expenses;

This documentation enables the Home University to sponsor the students as part of this Agreement but does not commit the institution to any financial sponsorship. In order to produce this documentation, they will rely on the Home University communicating student information four to five months before the start of the program. The Host University will update the Home University annually regarding the data and documentation required. It is each student's responsibility to obtain the appropriate visa, as required by the host country. Students coming to Georgia State are required to obtain a J-1 visa, and therefore must provide documentation of sufficient financial resources needed to study in the U.S. Forms and detailed information about this process will be provided by Georgia State's International Student & Scholar Services.

Students who already have insurance must submit proof of such coverage to the Host University for approval before departing from their home countries. The Host University will assist students in identifying available insurance options designed for international students, if necessary. Students from TBS who do not have appropriate insurance must obtain Georgia State's international students' insurance policy. Students from Georgia State must obtain Georgia State's mandatory study abroad insurance coverage.

## **10. Housing**

The Host University may offer advice to students regarding accommodations, but it is the responsibility of the students themselves to making living arrangements in the host country.

This agreement allows any type of employment of TBS and/or Georgia State students in the host country, subject to applicable laws and regulations. Students will follow appropriate steps to obtain authorization of employment and will follow regulations of their student visas and host university.

## **12. Compliance with Rules and Regulations**

Students will be subject to the rules and regulations of the Host University, and the laws and procedures of the state or province in which the institution is located. The Host University will assume no responsibility for a student's conduct or lack of compliance with any of the host country's laws. If a student voluntarily withdraws or is dismissed for disciplinary reasons before the end of the program, the program will be considered completed by the Host University with respect to that student. No replacements will be sent to the Host University for students who do not complete the program. Furthermore, each Host University reserves

the right to require a student to withdraw from the program if the student's academic performance or personal misconduct warrants such action, provided, however, the Host University will, absent extenuating circumstances, attempt to consult with the Home University before implementing such action. The dismissal of a student shall not abrogate this Agreement, or arrangements regarding other students.

### **13. Research**

To the extent allowable by law, the parties may engage in joint research, conference participation, publication of research results and other research-related activity. The parties understand and agree that certain research sponsors may limit participation on specific research projects in the host country. The parties further understand and agree to secure all Institutional and other required approvals prior to conducting research activities and to abide by all policies and procedures governing such activities.

If students participate in research funded by a third-party sponsor, the parties agree that such research activities will abide by the terms of the sponsorship agreement. If students receive third-party confidential information for research purposes that was provided under a written nondisclosure or confidential disclosure agreement, the parties agree that the students will be bound by the confidentiality and nondisclosure terms of such agreement.

Students pledge to disclose any intellectual property developed as a result of joint research to both the Host and Home Institutions unless such disclosure is unlawful under the law of the Host Institution's country. If valuable intellectual property is created as a result of joint research, ownership of such intellectual property shall be determined in accordance with the law of inventorship or authorship of the country in which the research occurred and the Host Institution's policies. The parties agree that the Host Institution will evaluate the intellectual property, in consultation with the other party, to determine whether formal patent, copyright, or other protection is desirable.

### **14. Travel Warning Countries Policy**

Georgia State's Travel Advisory Policy governs international travel by Georgia State students, faculty and staff and may affect the ability of Georgia State to participate in the Program. Travel must be approved by specified Georgia State administrators.

### **15. Modification, Termination, Renewal of Agreement**

This Agreement may be modified, revised, or renewed but only upon the mutual consent of the parties in writing. Either party may terminate this Agreement by written notice submitted at least 90 days in advance of the next academic semester. Termination will not affect existing or approved students in the program. Unless renewed by mutual written consent, this Agreement will conclude at the end of the specified academic term or year (as defined in Section 2 above).
