Georgia State and UNIFI hereby agree to the following:

**1. Description of Program**

This Agreement is established to facilitate and encourage faculty members and researchers from each university to visit the other university and engage in certain activities ("Faculty/Researcher Exchange"). As used herein, "Home University" shall mean the university where the faculty member and/or researcher is normally employed, and "Host University" shall mean the university that the faculty member and/or researcher is visiting.

This agreement becomes effective on the date it is duly signed by representatives of both institutions. The term of the Agreement shall commence on the effective date and shall be in effect for five (5) years, unless earlier terminated by either party pursuant to Section 14 below. Notwithstanding anything to the contrary contained herein, the term of this Agreement shall not extend beyond one academic year if Georgia State or UNIFI assume any financial obligations by entering into this Agreement and, in no event shall the term of this Agreement extend beyond five (5) academic years. This Agreement may be renewed for

additional academic years or five (5) year renewal terms, as applicable, upon the advance written agreement of both parties.

The academic year at Georgia State consists of two regular semesters: the Fall semester begins in August and ends in mid-December and the Spring semester begins in January and runs into May. In addition, there is an abbreviated Summer Term and Summer Institute. Faculty members/researchers from UNIFI may participate during any term or any semester.

The academic year at UNIFI consists of two semesters: the first semester begins in September and ends in January and the second semester begins in March and ends in June. Faculty members/researchers from Georgia State may participate during any semester.

### **3. Faculty Researcher Exchange**

Starting in Fall 2020 and continuing for each year during the term of this Agreement, the two institutions will exchange faculty/researchers, with selected individuals and timing to be mutually agreed. Each institution will host the partner's full-time faculty/researchers for short stays (between two (2) weeks to three (3) months) per year.

### **4. Units Involved in Exchange Program**

Participants in the program will be drawn from the College of Education and Human Development at Georgia State, and the Department of Health Sciences at UNIFI at the discretion of both parties.

### **5. Requirements for Participation**

Faculty and researchers who wish to participate in the Exchange Program will be screened for eligibility by the Home University and approved by the Host University.

Faculty and researchers should be proficient in the language of the Host University in order to participate. At Georgia State, the language of instruction is English, and faculty/researchers from UNIFI will be required to provide proof of proficiency in English. The language of instruction at UNIFI is Italian and English. Faculty/researchers from Georgia State will not be required to have proficiency in Italian. Language requirements apply only to the faculty and researchers and not to their spouses and dependents.

Each Host University shall have final authority over decisions regarding the acceptance of faculty and researchers from the Home University to participate in research, teaching or other activities.

### **6. Faculty/Researcher Responsibilities**

Unless otherwise indicated in an appendix attached hereto, each faculty member and researcher participating in this Exchange Program will be responsible for the following:

1. Payment of all expenses and fees that his or her Home University has not agreed to pay by published deadlines;
2. With assistance from the Host University, and any financial assistance from the Home University, obtaining proper visas and other documents required by the government

of the Host University, including any guarantee that they have the financial resources to meet all expenses;

3. Purchasing the required health/hospitalization and liability insurance, including repatriation and medical evacuation coverage, for the time period of their involvement in the Exchange Program in order to meet governmental regulations, as well as the regulations of the Host and Home Universities, with any assistance offered by the Home University;
4. Abiding by the same regulations and performance standards that pertain to other faculty and researchers at the Host University;
5. Submitting to criminal background checks, if necessary;
6. Submitting any health or immunization records required by Host University; and
7. Complying with the Home University's Travel and Safety Guidance, including observing applicable local and federal export control regulations.

#### **7. Department/School/Unit Responsibilities**

Participating institution units are responsible for identifying and arranging for a supervisory and reporting structure applicable to all visiting faculty and researchers participating in the Exchange Program.

#### **8. Salaries and Expenses**

Georgia State through its respective college will pay the salary for any Georgia State faculty/researchers who participate in this Exchange Program. Financial assistance in paying any other expenses for Georgia State faculty and researchers while participating in this Exchange Program (such as transportation, health insurance, passport and visa fees, and housing) will be determined by the appropriate unit at Georgia State.

UNIFI will pay the salary for any UNIFI faculty/researchers who participate in this Exchange Program. Financial assistance in paying any other expenses for UNIFI faculty and researchers while participating in this Exchange Program (such as transportation, health insurance, passport and visa fees, and housing) will be determined by the appropriate unit at UNIFI. All faculty/researchers from the UNIFI who participate in this Exchange Program agree to undergo any procedures needed to adhere to the health regulations of the United States.

#### **9. Visa Requirements**

Each Host University will provide the necessary documentation for exchange scholars to obtain a visa to enter the host country. In order to produce this documentation, they will rely on the Home University communicating scholar information three (3) to four (4) months before the start of the Exchange Program. The Host University will update the Home University annually regarding the data and documentation required. It is each scholar's responsibility to obtain the appropriate visa, as required by the host country. Exchange scholars coming to Georgia State are required to obtain a J-1 visa, and therefore must provide documentation of sufficient financial resources. Forms and detailed information about this process will be provided by Georgia State's International Student & Scholar Services.

#### **10. Office Space and Support**

Each Host University agrees to provide office space and appropriate administrative support for visiting faculty and researchers.

#### **11. Compliance with Rules and Regulations**

Exchange faculty members/researchers will be subject to the rules and regulations of the Host Institution, and the laws and procedures of the state or province in which the institution is located.

The Host Institution will assume no responsibility for a faculty member's/researcher's conduct or lack of compliance with any of the host country's laws. If a faculty member/researcher voluntarily withdraws or is dismissed for disciplinary reasons before the end of the Exchange Program, the program will be considered completed by the Host University with respect to that faculty member/researcher. No replacements will be sent to the Host University for faculty members/researchers who do not complete the Exchange Program. Furthermore, each Host University reserves the right to require a faculty member/researcher to withdraw from the Program if the faculty member's/researcher's academic performance or personal misconduct warrants such action, provided, however, the Host University will, absent extenuating circumstances, attempt to consult with the Home University before implementing such action. The dismissal of a faculty member/researcher shall not abrogate this Agreement, or the arrangements regarding other faculty members/researchers.

#### **12. Research**

To the extent allowable by law, the parties may engage in joint research, conference participation, publication of research results and other research-related activity. The parties understand and agree that certain research sponsors may limit participation on specific research projects in the host country. The parties further understand and agree to secure all University and other required approvals prior to conducting research activities and to abide by all policies and procedures governing such activities.

If exchange faculty or researchers participate in research funded by a third-party sponsor, the parties agree that such research activities will abide by the terms of the sponsorship agreement. If exchange faculty or researchers receive third-party confidential information for research purposes that was provided under a written nondisclosure or confidential disclosure agreement, the parties agree that the exchange faculty or researchers will be bound by the confidentiality and nondisclosure terms of such agreement.

Exchange faculty and researchers pledge to disclose any intellectual property developed as a result of joint research to both the Host and Home Institutions unless such disclosure is unlawful under the law of the Host Institution's country. If valuable intellectual property is created as a result of joint research, ownership of such intellectual property shall be determined in accordance with the law of inventorship or authorship of the country in which the research occurred and the Host Institution's policies. The parties agree that the Host Institution will evaluate the intellectual property, in consultation with the other party, to determine whether formal patent, copyright, or other protection is desirable.

#### **13. Travel Warning Policy**

Georgia State's Travel Advisory Policy governs international travel by Georgia State faculty and staff and may affect the ability of Georgia State to participate in the Program. Travel must be approved by specified Georgia State administrators.

**14. Modification, Termination, Renewal of Agreement**

This Agreement may be modified, revised, or renewed but only upon the mutual consent of the parties in writing. Either party may terminate this Agreement by written notice submitted at least 90 days in advance of the next academic semester. Termination will not affect existing or approved faculty or researchers in the Exchange Program. Unless renewed by mutual written consent, this Agreement will conclude at the end of the specified academic term or year (as defined in Section 2 above).
