RE: Agreement for a Program for Foreign-Trained Lawyers entered into between the Board of Regents of the University System of Georgia by and on behalf of Georgia State University ("Georgia State") and its College of Law and University of Warsaw and its Faculty of Law and Administration, ("WPiA UW") dated September 20, 2018.

Dear Dr. Tomasz Giaro,

Georgia State and WPiA UW agree to amend the above-referenced agreement as follows:

Section 7 will be replaced with the following:

7. Tuition and Fees

Qualified Graduates of WPiA UW admitted to the LLM degree program may be eligible to receive a partial out-of-state tuition waiver from Georgia State. These will be granted as available based on the University System of Georgia and Georgia State waiver policies. These partial waivers are expected to cover approximately 28% of students' tuition. Georgia State may provide these waivers either through the university's non-resident tuition waiver or its Graduate Assistantship program. Admitted students and/or WPiA UW will cover the balance of the tuition and mandatory fees owed.

This amendment becomes effective on the date it is duly signed by representatives of both institutions. It is understood that all other terms and conditions shall continue in full force and effect.

If the terms of this letter are acceptable, please indicate your acceptance by signing in the space provided below.
